NOTICE TO SHAREHOLDERS of the sub-funds

AMUNDI MSCI EUROPE CLIMATE PARIS ALIGNED AND AMUNDI MSCI EMU CLIMATE PARIS ALIGNED (the “**Sub-Funds**”)

Dear Shareholders,

We hereby inform you that further to the announcement by MSCI, the methodology of the MSCI Climate Paris Aligned Filtered Indexes has evolved by removing the custom MSCI conventional weapons screen to align with the MSCI Climate Paris Aligned Standard indices that do not use this screen. The board of directors of the Company (the “**Board**”) has decided to update the SFDR annexes of the Sub-Funds of the Prospectus (the “**Prospectus**”) by removing the custom MSCI conventional weapons screen as from May 2025 (the “**Effective Date**”).

The Modifications do not represent a change to the investment objective, nor a material change to the investment policy of the Sub-Funds. There is no change to the minimum proportion of sustainable investments of the Sub-Funds. The other characteristics of the Sub-Funds remain unchanged.

As a consequence of these Modifications, the Prospectus (including the ESG related disclosures of the Sub-Funds) will be amended accordingly.

The updated Prospectus will be made available by the Management Company upon request and on the following website: www.amundi.com and www.amundi.tf.com on or around the date of the next visa-stamped Prospectus.

The prospectus and Key Information Documents, articles of association as well as the annual and semi-annual reports may be obtained free of charge from the Swiss Representative.
