(the “Company”)

NOTICE TO THE SHAREHOLDERS OF AMUNDI MSCI WORLD INFORMATION

TECHNOLOGY (the « Sub-Fund »)

Amendment to the Prospectus of the Company and the Key Investor Document in relation to the Sub-Fund

The Swiss Representative of the Company, Société Générale, Paris, Zurich Branch, hereby informs shareholders in Switzerland of the following:

Terms not specifically defined herein shall have the same meaning as in the articles of incorporation (the “**Articles**”) and in the latest prospectus of the Company (the “**Prospectus**”).

Dear Shareholders,

We inform you that the board of directors of the Company (the “**Board**”) has decided to change as from the 10th of March 2026 (the “**Effective Date**”), the index of the Sub-Fund (the “**Switch**”) as specified in the following table:

| | Before the Effective Date | From the Effective Date |
|----------------------------------|--|---|
| Benchmark of the Sub-Fund | MSCI World Information Technology Index – Net Total Return Index ticker: NDWUIT | MSCI World Information Technology 20-35 Custom Index – Net Total Return Index ticker: NU732025 (the “ New Index ”) |

The aim of the Switch is to provide the Shareholders with a sub-fund that replicates an index which is similar but includes a cap on its constituents. The New Index constrains the weight of the largest group entity at 35%, and all other group entities at 20% in line with the UCITS requirements.

On the Switch, the composition of the New Index will be similar to the composition of the current index of the Sub-Fund.

These changes will be reflected in the next Prospectus.

• **In case where the Shareholders do not agree with the Switch, the Shareholders who usually subscribe or redeem Shares in the Sub-Fund on the primary market may redeem their Shares without fee (except for the fees acquired by the Sub-Fund to prevent dilution of shareholders investment), during a period of one month as from the date of this notice which is only notified on the Company’s website dedicated to shareholders notices as permitted by the Prospectus.**

- **We draw Shareholders' attention to the fact that if the Sub-Fund's Shares are sold on a market or exchange, the Shareholders may be charged broker fees on to the sale of (a) Share(s) in the Sub-Fund.**
- **In case where the Shareholders agree with the Switch, no action is required from the Shareholders.**

The Prospectus, the Key (Investor) Information Documents, the Articles of Incorporation and the most recent annual and semi-annual report of the Company are available free of charge from the Representative in Switzerland.
