Risk Indicator (Source : Fund Admin)

Lower Risk

Higher Risk

The SRI represents the risk and return profile as presented in the Key Information Document (KID). The lowest category does not imply that there is no risk. The SRI is not guaranteed and may change over time. The risk indicator assumes you keep the product for 5 years. The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movement in the markets or because we are not able to pay you.

* Source : Amundi. The above cover complete periods of 12 months for each calendar year. **Past performance is no predictor of current and future results and does not guarantee future yield** . Any losses or gains do not take into consideration any costs, commissions and fees incurred by the investor in the issue and buyout of the shares (e.g. taxes, brokerage fees or other commissions deducted by the financial intermediary). If performance is calculated in a currency other than the euro, any losses or gains generated can thereby be affected by exchange rate fluctuations (both upward and downward). The discrepancy accounts for the performance difference between the portfolio and the index.

Risk indicators (Source: Fund Admin)

	1 year	3 years	Inception to date *
Portfolio volatility	16.33%	15.45%	17.88%
Benchmark volatility	16.28%	15.43%	17.87%
Ex-post Tracking Error	0.33%	0.33%	0.26%
Sharpe ratio	0.91	0.87	0.43

* Volatility is a statistical indicator that measures an asset's variations around its average value. For example, market variations of +/- 1.5% per day correspond to a volatility of 25% per year. The higher the volatility, the higher the risk. The Tracking Error indicator measures the performance's difference between the fund and the benchmark

We have classified this product as 4 out of 7, which is a medium risk class. This rates the potential losses from future performance at a medium level, and poor market conditions could impact our capacity to pay you. Additional risks: Market liquidity risk could amplify the variation of product performances. This product does not include any protection from future market performance so you could lose some or all of your investment. Beside the risks included in the risk indicator, other risks may affect the Sub-fund's performance. Please refer to the MULTI UNITS FRANCE prospectus.

Important information

The Fund presents an unmeasurable risk of capital loss. Past performance in no way serves as either an indication of future results or a guarantee of future returns. For further information about the risks and before making any investment, refer to the Key Investor Information Document (KIID) and the prospectus for each fund, available in French on request or on the website: amundi-etf.fr. The information contained in this document has been obtained from sources believed to be reliable. Amundi cannot, however, ensure that the information is accurate and reserves the right to amend the analyses presented above at any time. This document is of a non-contractual nature and in no way constitutes a recommendation, solicitation of an offer or an offer regarding a purchase, sale or exchange relating to the Fund described herein, and must under no circumstances be interpreted as such. The transparency policy and information on the composition of the funds' assets are available at amundi-etf.com. The indicative net asset value is published by the stock markets. Fund units purchased on the secondary market cannot generally be resold directly to the Fund. Investors must buy and sell units on a secondary market with the assistance of an intermediary (e.g. a broker) and may, in this case, have to pay charges. In addition, it is possible that investors may pay more than the current net asset value when they buy units and receive less than the current net asset value when they sell. Complete list of brokers and marketmakers available at : amundi-etf.com. Financial intermediary fees apply. Amundi Suisse SA has been authorized in Switzerland as distributor of collective investment schemes. Amundi Suisse SA is distributing in Switzerland and from Switzerland the collective investment schemes managed by Amundi S.A. and/or Amundi Luxembourg. In this respect, Amundi Suisse SA informs investors that it collects, from Amundi S.A. and/or Amundi Luxembourg, a compensation under article 34 al. 2bis in the Ordinance on collective investment schemes (Ordonnance sur les placements collectifs de capitaux, OPCC). This compensation can constitute a part of the management fees stated in the prospectus. Additional information regarding the existence, nature and calculation method for the compensation received by Amundi Suisse SA within the frame of its distribution activity in Switzerland or from Switzerland may be provided upon written request to Amundi Suisse SA 6-8 rue de Candolle 1205 Genève Suisse. This document is designed exclusively for qualified investors as set forth in the federal Law on Collective Investments (LPCC) and its implementing Ordinance. The Sub-Fund is not approved for distribution to non-qualified investors by the Swiss Financial Market Supervisory Authority ("FINMA"). The Key Investor Information Document (KIID), prospectus, regulations and annual/semi-annual reports may be obtained, free of charge, at the registered Suisse office, CACEIS (Switzerland) S.A., route de Signy 35, 1260 Nyon. In connection with the distribution in Switzerland, the place of execution and competent court are at the registered office of the representative CREDIT AGRICOLE (SUISSE) SA, 4 Quai Général-Guisan, 1204 Genève, acting as payment service for the Funds in Switzerland. Only for SFDR 8 and SFDR 9 products Please note that this passively managed fund replicates an underlying index which methodology aims at providing a broad market exposure without considering ESG factors or exclusions. Therefore, you might be exposed to securities that might be involved in serious controversies, acute sustainability risks or material negative impact on sustainability factors. Please refer to the legal documentation and index methodology for full details. Should you want to consider an ESG alternative, you will find a wide range of options within our responsible investing range.

This document is designed exclusively for institutional, professional, qualified or sophisticated investors and distributors. It is not meant for the general public or private clients of any jurisdiction or those qualified as 'US Persons'. Approved investors in regard to the European Union are those which are defined as "Professional" investors in Directive 2004/39/EC of 21 April 2004 "MiFID" or, as the case may be, as defined under each local legislation and, insofar as the offer in Switzerland is concerned, "qualified investors" as set forth in the federal Law on Collective Investments (LPCC), the Ordinance on collective investments of 22 November 2006 (OPCC) and the FINMA 08/8 Circular regarding the legislation on collective investments of 20 November 2008. This document shall not, under any circumstance, be sent within the European Union to non "Professional" investors as defined by the MFI or under each local legislation, or in Switzerland to those investors which are not defined as "qualified investors" in the applicable law and regulations.
